SUNBEAM INSTITUTE OF INFORMATION TECHNOLOGY, PUNE - MARKET YARD

A library is an integral part of any educational institution. SunBeam Students have long enjoyed the educational and cultural benefits of our library service. Library resources and usage has grown steadily, and today the library at SunBeam Institute of Information Technology is fully equipped with over 100 titles and periodicals. The library currently offers a collection of hundreds of items, including books, magazines, CDs, and more which are required to fulfill needs of a candidate undergoing a CDAC ACTS IT course.

It houses books suggested from C-DAC and many other popular titles which help the students to gain additional knowledge in areas of their interest.

The library facility at SunBeam offers increased convenience in skill building, which in turn facilitates increased enthusiastic participation of our students in interactive academic sessions.

Referencing varied study material from our library has helped instill self-confidence in our students and they are known to be in greater comfort in asking relative critical questions during the theory & practical sequences. All our students who have been accredited with International certifications have found our library to be a boon in terms of easy accessibility to vast reference material. Spread over a sprawling 5000 sqft. the SunBeam center is located just 2.5 Kms from the Swargate Bus Stand, 6 Kms from the railway station and just a stone's throw away from the Pune Passport Office. The institute, spanning over three floors is designed specifically to provide that extra spaciousness to each activity locale.

Front office is the hub of all our administrative activities, with offices of the Director, Academics, Accounts, Admin, HR, and Business Div & last but not the least, our Counseling desk. At SunBeam, each student is nurtured personally. We are always on our toes to facilitate each individual into a success story.

The state of the art Air Conditioned labs with high-end Pentium III desktops and all the latest in hardware and software computing facilities provide for a most conducive study environment. Apart from the regular MSEB Power Supply, the labs are also equipped with 15 KVA UPS to ensure constant power and are backed up with a DG set.

The Air Conditioned Lecture halls equipped with Hi-tech teaching aids like, LCD Projectors, High Lumen OHP, Video Projection Units, PA Systems & Cordless Microphones ensure that every moment the students spend here, results in an incremental learning experience.
